Notes

1. Record date

Only those members registered in the register of members of the Company as at 10.30am on 17th April 2011 or, in the event that the meeting is adjourned, in the register of members 48 hours before the time of any adjourned meeting shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after 10.30am on 17th April 2011 or, in the event that the meeting is adjourned, after 48 hours before the time of any adjourned meeting shall be disregarded in determining the rights of any person to attend or vote at the meeting.

2. Proxies

2a A member is entitled to appoint one or more persons as proxies to exercise all or any of his rights to attend, speak and vote at the meeting. A proxy need not be a member of the Company. The appointment of a proxy will not preclude a member from attending and voting in person at the meeting if he so wishes. A member may appoint more than one proxy in relation to the meeting provided that each party is appointed to exercise the rights attached to a different share or shares held by them. To appoint more than one proxy members will need to complete a separate proxy form for each proxy. Copies of additional proxy forms can be obtained from the Company's registrars, Computershare Investors PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY or members may photocopy the form of proxy indicating on each copy the name of the proxy to be appointed and the number of shares in respect of which the proxy is appointed. A failure to specify the number of shares each proxy appointment relates to or specifying a number in excess of those held by the member may result in the proxy appointment being invalid. All forms of proxy should be returned together in the

same envelope. Members can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.

- 2b A form of proxy is enclosed. To be valid, it must be completed, signed and sent to the offices of the Company's registrars, Computershare Investors PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY so as to arrive no later than 10.30am on 15th April 2011 (or, in the event that the meeting is adjourned, no later than 48 hours before the time of any adjourned meeting).
- 2c As an alternative to completing this hard copy proxy form, members can appoint proxies electronically via the internet at www.eproxyappointment.com. For an electronic proxy appointment to be valid, the appointment must be received by Computershare Investors PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY no later than 10.30am on 15th April 2011. Any electronic communication sent by members to the Company or the Company's registrar which is found to contain a virus will not be accepted by the Company but every effort will be made by the Company to inform members of the rejected communication.
- 2d CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (formerly CRESTCo's) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by CREST system (ID3RA50) by no later than 10.30am on 15th April 2011. No such message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
